HEADTEACHER'S HEADLINE

What a busy two weeks it's been; the key stage one children have had their turn of SATs, they were really focused and just took it all in their stride. I think the thought of the party at the end of the week kept them going – they all had great fun! The Year Five children also had a good time at The Herstmonceux Science Centre, I don't think I've ever seen a group of children so excited at the end of a school trip – thank you Year Five for representing the school so well!

Thank you to those parents who came into school on Monday for our Open Afternoon – we need more of you to do this, it's a lovely relaxed way for you to come in and see what learning your child has taken part in. A few parents came early to listen to my introductory talk, it was lovely to get to know a few more of you. I am continuing to get to know you when I'm on the gate in the mornings, please say 'hello' as you pass through. Now the weather has finally warmed-up please send your children in with a cap to protect their heads and make sure they have a water bottle in school and they are refreshing the water on a daily basis.

Remember – keep reading with your children!

Since the tragic event that took place in Manchester this week the local authority have asked us to be extra vigilant with our security arrangements. Therefore, I am requesting that children are collected from the classroom door as normal, but if you do need to speak to a member of staff, please enter school through the front office where a member of staff will accompany you if you need to come further into the school. Please do not enter school through the cloakrooms, either at the beginning or end of the school day. In the unlikely event you are late picking-up your child/children they will kept safe in the Penguin Room and a member of the front office will phone through to have your child sent down to you while you wait in the office. Parents will always be welcomed into school but we ask for your co-operation in helping us to keep your children safe. Thank you.

There are a few cases of Chicken Pox and Slapped Cheek in school.
